## **Tell the World What You Think of Recovery Resources and Help Us Win \$5,000 to Toward Our Mission**

*Cleveland, OH* – Recovery Resources needs your help! We have an opportunity to win the \$5,000 prize that GuideStar USA, Inc., the leading source of nonprofit information, and KIMBIA, a group that empowers nonprofits and other organizations to increase giving, are making available through their **Winter 2011 GuideStar-KIMBIA Nonprofit Giveaway**. This generous gift could help us accomplish our mission to help people triumph over mental illness, alcoholism, drugs and other addictions.

“We know we are incredibly fortunate to have a passionate and committed constituency,” said Natalie Friedl, Development Director. “If every supporter would take the time to write a review, we know we could be a contender for the GuideStar-KIMBIA Nonprofit Giveaway and could do great things with the prize money.”

Reviews will show our donors and other stakeholders that we are making an impact, are working effectively toward our mission, and are benefitting our cause. Anyone with firsthand knowledge about us who is not a paid employee of Recovery Resources—donors, volunteers, board members, recipients of our services—can write a review about us on GuideStar. Your review will appear in our profile on both GuideStar and [GreatNonProfits](#), GuideStar’s partner that makes it possible to write and post reviews. There is no charge for writing a review, but you are limited to posting only one review for your organization.
