

WOMEN & FAMILY SERVICES (WAFS)

A specialized, gender-specific Intensive Outpatient Program (IOP) for women and young children.

Schedule

Monday-Thursday
9:30AM-12:30PM
Pearl Road Location

The WAFS Intensive Outpatient Program (IOP) consists of 32 sessions followed by a transition to 12 Continuing Care sessions.

***Continuing Care Sessions are offered virtually on Mondays and Wednesdays from 6PM-8PM.**

***Children up to age three years of age may accompany group attendees.**

Referrals

Women can request WAFS IOP during their assessment or they may be recommended for the program based on their level of substance use.

Thanks to our donors, we are able to offer the following additional services for WAFS IOP:

Transportation assistance to and from Recovery Resources appointments via UberHealth.
Gift cards, hygiene items, and basic child care supplies are available as an incentive for group attendees who are making progress in their recovery goals.
